Repurchase Offers

The Fund is an interval fund and has adopted a fundamental policy to make quarterly repurchase offers for between 5% and 25% of its outstanding Shares at net asset value. The Fund currently expects to offer to repurchase 5% of its outstanding Shares in each quarterly repurchase offer. Repurchase offers will be made in March, June, September and December of each year.

If Shareholders tender more Shares than the Repurchase Offer Amount, the Fund may, but is not required to, repurchase an additional amount of up to 2% of its outstanding Shares. If the Fund does not repurchase the additional amount, the Fund will repurchase tendered Shares on a pro rata basis.
